

Christ Community Church is offering Celebrate Recovery meetings every Wednesday night starting @ 6:30pm. Childcare is provided.

The ministry seeks to offer freedom from life's hurts, hang-ups and habits through God's healing and redemptive power using the "Eight Recovery Principles" based on the Beatitudes.

Although many people automatically think a recovery program is for people dealing with alcohol or drug addiction, Celebrate Recovery is for everyone.

Meetings include a time of worship, then a teaching or a testimony, followed by small group meetings. Small groups are divided by gender and are based on different topics.

Attendees are not required to speak during the small group meetings.

Anonymity and confidentiality are key factors in small group meetings.

The leaders of the ministry will share their life's experiences and their relationship with God, at Celebrate Recovery meetings. The public is invited to visit and learn more about the ministry. For more information please call the church office at 814-234-0711.

Thanks and God bless.
