

UNITED STATES & BIBLE LAND

AT-A-GLANCE

TERRITORY:
United States & Bible Land

WHO OWNS IT NOW:

The **blue** square is us. The **red** square is Bible Land. Almost all Bible history happened in Bible Land, the red square. Now, the countries of Israel, Lebanon, Turkey, Syria, Iraq, Saudi Arabia, Egypt, and Jordan have parts in Bible Land.

WHO OWNED IT THEN:

Bible Land history is almost all about getting the land of Israel—or getting it back after it was taken over by pagans. Whether the people were approaching Israel from the east like Abraham, or the south like Moses, or acquiring more of it by takeovers like Joshua, the Judges, and David, all were trying to win Israel from pagans. Then, Israel was invaded, first by Assyria and then by Babylon. It was rebuilt again and was still rebuilt when Jesus came.
