FAMOUS VERSES

Jerusalem, Jerusalem, you who kill the prophets and stone those sent to you, how often I have longed to gather your children together, as a hen gathers her chicks under her wings, and you were not willing.
Matthew 23:37

WHAT HAPPENED:

Jesus was quite a walker. He visited Jerusalem five times in the gospels—always on foot. Several times he left from his home in Galilee. The trip is 240 miles, which means that trips between Galilee and Jerusalem totaled 1,200 miles. Of course, there were many stops along the way. It is thought by some that he may have walked as much as 3,500 miles just during his ministry!

Jesus visited so many towns and regions in those three years that nobody has been successfully able to map it. Here are the cities in the Bible that mention him stopping there to teach, heal, or perform other miracles:

Bethany
Bethlehem
Bethphage
Bethsaida
Caesarea Philippi
Cana
Capernaum
Dalmanutha

Decapolis
Emmaus
Ephraim
Gennesaret
Golgotha
Gethsemane
Jericho
Jerusalem

Jordan River
Magadan
Mount of Olives
Nain
Nazareth
Sea of Galilee
Sychar

There are also many events in the Bible where the location isn't given. Part of that is God's choice. Think how many people would be climbing the mountain to worship if they knew on which the Transfiguration occurred? (God wants us to be confident he hears no matter where we are.)

The map above shows some of the places Jesus was when major events took place.
